What your neighbors are saying about us...

“We LOVE Lake Lansing Family Practice. I was so tired of my son never seeing the same pediatrician when we needed to get in. Now that he is getting older I wanted him to establish his own relationship with his doctor. Not only does he look forward to his appointments, our experience has been so exceptional our entire family are now patients!”

Missey, Sales Manager

“Lake Lansing Family Practice came HIGHLY recommended. I was sharing my frustration with a friend about the lack of communication within my doctor's office when she suggested, then demanded, I look into Lake Lansing Family Practice. I have been thrilled! They are like no other doctor's office, they get it! Not only is my immediate family patients, I now “demand” my friends check out Lake Lansing Family Practice.”
