...and me, Gary Dodge

I wanted to drop a card to say hello and let you know how I miss each and everyone of my Saturn guests. Since the closing of Saturn, I have found a new sales career at Gillette's Interstate RV in East Lansing. I will always offer the same great customer service that you expect, that you can count on!

Here at Gillette's Interstate RV, I have a camper for everyone. I sell pop up tent campers, truck campers, hybrid travel trailers, travel trailers & fifth wheels from small to large (with and without bunks) and even luxury four season fifth wheels. No matter what you're looking for...I GOT IT!!!

Here are just a few reasons why I chose Gillette's Interstate RV:

- Mid-Michigan's Largest RV dealer
- Largest selection of inventory
- Family owned and operated
- Full service department
- Full parts department
- ...I had a GREAT experience when I purchased my Jayco from Gillette's Interstate RV in 2008!
